Dear creditor,

It has come to our attention that many of you are concerned because you do not have all of your Bank records or backup documentation to finalize our claims process forms. Do not allow your lack of records to prevent you from submitting a claim. Please proceed to fill in the form to the best of your ability with the information you have at hand or might remember, have the form executed by all signatories to the account, and submit it. So long as you fill in and submit your claim in good faith, we will not reject your claim for lack of documentation or if it does not agree with the Bank's records. We will calculate the net deposit and will provide you with a revised calculation based on the Bank's records.

Keep in mind you will then have 21 days to apply to the Antiguan Court for the decision to be reversed or amended as provided for in the 1986 UK Insolvency Rules. If you agree with the revised amount, you do not have to do anything.

Yours sincerely,

Marcus Wide and Hugh Dickson
