As one of the most experienced claims buyers in the market, we can manage the purchase of your claim swiftly.

Southey Capital Ltd, is a U.K. authorised and regulated Financial Institution, privately funded and owned. With a sole focus on illiquid and distressed securities, we have an unrivalled ability to analyse the distressed securities world, leading to a fast and professional service to clients.

Our multi-lingual team is based in London, England, and Sao Paolo, Brazil so we are able to cover clients in Europe, Asia and South America during the working day, therefore no matter where you are located, we can follow up your email with a telephone call to guide you through the next steps.

Kind regards,

Southey Capital
